4. ASSESSMENT AND REVIEWS

To receive services from Amaro@Home you will have been assessed by someone organised through My Aged Care. Our staff reviewed the information from My Aged Care at your Service Commencement Meeting and obtained more information from you in order to develop a support plan for you. We will review or re-assess your support whenever you or our staff feel it is necessary or required, and at least once every 12 months.

Reviews and re-assessments allow us to understand your needs, work with you to identify your goals of care and to make sure you are receiving the support you need and want. In home care, if your needs change significantly we may refer you back to My Aged Care for a new assessment.

We are very aware that every person is different and we encourage you and/or your representatives to tell us about your particular needs, goals and preferences for care and services. Our staff will discuss these with you at re-assessments and whenever it appears necessary.

We welcome and encourage you to tell us, at any time, about anything you are not happy with or changes you would like.

5. MAINTAINING YOUR INDEPENDENCE

5.1 WE WORK WITH YOU

As part of our approach to the provision of support, we work in partnership with you to meet your changing needs and to maintain your independence. Sometimes this may mean providing more support at times that you need it and at other times reducing support to ensure that you do not lose your independence. Any changes are fully discussed with you before they occur.

Sometimes a person's support needs are greater than we can provide. If this occurs, we will discuss it with you and will arrange a referral to My Aged Care who will organise another service provider who can meet your needs.

5.2 HOW YOU CAN HELP - KEEPING WELL

The most important thing you can do to work with us in maintaining your independence, is keeping well. This can include:

- Make sure you get adequate fluids
- Eat adequate amounts of healthy and nourishing food
- Take your medications as per your doctor's instructions
- Speaking to your doctor or health professional about continence if needed
- Get your vision, hearing and teeth checked regularly
- Avoid infection with good hand hygiene practices, speaking to your doctor about relevant vaccinations and staying away from others with infections
- Learn fall prevention strategies: adequate lighting and footwear, non-slip flooring, use your walking aid and seek support from others for maintenance tasks
- Consider a personal alarm to notify others if you fall or are concerned
- Protect your skin by washing and drying skin thoroughly, moisturising your skin twice a day and seeking advice when you have a skin tear
- Keep as mobile as you can through regular activity
- Do the things you like to do
- Keep alert through learning and doing new things
- Maintain your social connections and make new ones
- Pamper yourself
- Get good sleep and
- Relax.

5.3 CHOICE AND RISK

Amaroo@Home will support you to live the life you choose and recognises that an important part of this is for you to 'do the things you want to do'. If you want to make choices that may involve a risk to your health and/or safety we will discuss with you, the risks and potential consequences to yourself and others, and ways in which the risks can be managed to support your choice.

If your choice presents an unacceptable risk to others, including our staff, and you do not want to modify your choice to manage the risk we may modify or decline to provide any related services until the risk is managed.

Where you choose to take the risk, we will ask complete a Consumer Choice/Risk Assessment Form to document that we discussed the risk and potential consequences with you, and that you choose to accept the risk and potential consequences.

5.4 ABUSE AND NEGLECT

You have a right to feel safe, and to live in an environment where you are protected from abuse or neglect. Abuse can be in the form of:

- Financial or material abuse
- Neglect
- Emotional or psychological abuse
- Social abuse
- Physical abuse
- Sexual abuse.

People can be at risk of abuse from family, friends, our staff, other consumers or other people. Whilst we are aware that we cannot control all risks to you we are committed to making sure you are safe in our service and with our staff. We may also be able to assist if you experience abuse or neglect outside of our service.

If you have any concerns about your safety in Amaroo@Home or outside, please talk to us as soon as possible. We guarantee your confidentiality as far as possible and we will only provide assistance or take action that you are happy with.

The national (1800 353 374) is available to anyone who wants to talk to someone about potential or actual elder abuse. This service provides information on how to get help, support and referrals.

5.5 ADVANCE HEALTH DIRECTIVE/PLANNING

We encourage you to speak with your medical practitioner or health professional to develop an Advance Health Directive/Plan to ensure your wishes regarding health care and treatment are followed.

6. SUPPORT PLAN

When you commence services with us we develop a Support Plan with you based on the assessment and support needs identified by My Aged Care and with input from you on your needs and preferences. The Support Plan clearly shows:

- The services you will receive
- The days and times services will be delivered
- Your preferences for how services will be delivered
- Your goals for each service and
- Any special requirements.

The Support Plan is important for ensuring you know what is going on and for staff to know what support to provide to you. The support plan is updated whenever your needs or preferences change. You will always be provided with a copy/access to your up to date support plan.

If you feel your needs have changed, please advise a staff member or contact the Amaroo@Home Co-ordinator

7. HOME CARE PACKAGES PROGRAM

7.1 CONSUMER DIRECTED CARE

Consumers who are provided support through a Home Care Package (HCP) are supported to receive their package on a Consumer Directed Care (CDC) basis:

“This is a way of delivering services that allows consumers to have greater control over their own lives by allowing them to make choices about the types of care and services they access and the delivery of those services, including who will deliver the services and when. Under a CDC approach, consumers are encouraged to

identify goals, which could include independence, wellness and re-ablement. These form the basis of the Home Care Agreement and care plan.”¹

7.2 MANAGING YOUR CARE

With a Consumer Directed Care Home Care Package you decide the level of involvement you wish to have in managing your package. This can range from coordinating the care and services, to a less active role where you are not involved in management but remain involved all decision making about the care you receive.

7.3 SECURITY OF TENURE FOR HOME CARE PACKAGES

Amaroo@Home guarantees security of tenure to people receiving Home Care Packages for as long as it is in the best interest of the person. However; for some people at some time in the future, they may not be able to continue on a Home Care Package. We will only support discontinuation of your Home Care Package if²

- You cannot be cared for in the community with the resources available through the HCP
- You tell us, in writing, that you wish to move to a location where home care is not available through Amaroo@Home
- You advise us, in writing, that you no longer wish to receive the care
- Your condition changes so that:
 - you no longer need home care or
 - your needs, as assessed through My Aged Care, can be more appropriately met by other types of services or care
- You do not meet your responsibilities, as described in the Charter of Aged Care Rights, for a reason within your control.

If support is discontinued, the reasons will be explained to you and assistance provided to access other services if appropriate.

If you need to transfer to another type of care we ensure a smooth transition by assisting you to contact My Aged Care.

If you are changing location, we will if you like, assist you to contact My Aged Care and can provide information on available service providers in the new location. We will also coordinate the transfer with the new service provider.

7.4 LEAVE PROVISIONS FOR HOME CARE PACKAGES

You can take leave from your Home Care Package for a holiday, a hospital stay, transition care or respite care. As long as you advise us in writing your Package will continue to be available for you. The following leave arrangements apply for all Home Care Packages:³

¹ Australian Government Department of Health and Ageing *Home Care Packages Program Guidelines* August 2013

8. CHANGING HOME CARE PROVIDERS

You are able to choose a home care provider that best meets your goals and needs, and to change your provider if you wish: for example if you move to another area to live.

If you want to change provider you need to:

- Notify us that you no longer wish to receive care and services and agree the date when services from us will cease (the cessation date)
- Identify a new provider to avoid any gaps in care
- Contact the new provider to make sure the services they offer will meet your needs, and agree to a date on which services from them will begin. The start date for the new provider must be on or after the cessation or last day with us
- Reactivate your referral code for home care services by contacting My Aged Care on 1800 200 422, or through the consumer portal in the My Aged Care website.
- You must also provide your consent before any of your information can be transferred from us to the new provider
- We will calculate any unspent home care amount that you have built up during your time with us and subtract any agreed exit fee, if applicable, before returning the balance of funds to you (see below).

9. CONSUMER CONTRIBUTIONS AND CHARGES

9.1 YOUR CONTRIBUTIONS

If you are in receipt of the basic pension you will be consulted about your contribution which will not exceed 17.5% of your total pension (for single and married consumers). If your income is more than the basic rate of the single pension, you will be required to pay an Income Tested Fee which is calculated by Centrelink. There are contribution caps that limit the amount you can contribute to care annually. The @Home Coordinator will provide you with information from the Government on these.

Your contribution will be agreed on commencement with Amaroo@Home and before service delivery commences. Your initial contribution is specified in your Home Care Agreement. If you are financially disadvantaged or are experiencing financial hardship, you are still eligible for services and a nominal contribution may be agreed on, so please talk to us about it. No consumer will be denied a service if they are genuinely unable to pay.

The fees we charge

We provide a Detailed Pricing Schedule showing the all inclusive cost for each service. The services and fees you agree to pay us are included in your Home Care Agreement and cannot be changed unless you agree.

The Detailed Pricing Schedule can also be downloaded from our website at www.amaroovillage.com.au

9.2 CHANGES TO FEES

Our fees are revised twice per year in line with adjustments made by the Government to the Aged Care Pension in March and September and with consideration to your ability to pay. We will advise you of any changes and discuss these with you.

Budget

You will also receive an individualised budget that details:

- Income (Government subsidy, supplements and fees you pay)
- Expenditure (administration costs, case management services and the cost of services to be delivered)
- Contingency monies (money deducted from your Package income for emergencies or unplanned support). This cannot be more than 10% of your total annual budget for the Package
- The balance of unspent funds.

9.3 UNSPENT FUNDS

Unspent funds are funds accumulated from Home Care Package fees paid by you, contingency payments made by you, unspent top-up payments and any other over-payments as follows:

- If you leave Amaroo@Home to move to another home care provider, the unspent funds (LESS any exit amount – see below) are transferred to your new provider
- If you leave Amaroo@Home to leave home care altogether (e.g. you no longer wish to receive services, you enter residential care or die) the unspent funds (LESS any exit amount) are returned to you or your estate, or to the Australian Government depending on who paid the money in

- Note that unspent home care funds are accumulated from 1 July 2015.

9.4 EXIT AMOUNT

You will be charged an exit amount to cover our administration costs in calculating and paying unspent home care funds if you choose to leave Amaroo@Home or move to another provider.

The amount agreed with you is specified in your Home Care Agreement. This amount will be deducted from any unspent home care funds at the date you leave our service. If there are no unspent funds the exit amount is not charged. If the unspent amount is less than the exit amount we will charge no more than the unspent amount.

9.5 PAYING YOUR FEES

Amaroo@Home will provide you with an invoice at the end of each month. You can make payment via direct debit (preferred), pay at the Amaroo@Home office, or by post or electronic funds transfer. Our staff do not collect money.

10. EQUIPMENT

Equipment purchased for you as part of a Home Care Package (and paid for by the Package) will remain your property after the Package ceases to be provided. You will be responsible for the maintenance and repair of the equipment.

If you wish to buy equipment from your home care package, we use the services of an Occupational Therapist to assess your needs and recommend safe and quality equipment.

11. AGREEMENTS

11.1 HOME CARE PACKAGES

Home Care Package consumers have a Home Care Agreement that outlines the conditions of the package of care that is being provided. You are encouraged to sign it; however, if you choose not to, Amaroo@Home will negotiate the type and frequency of support with you and document in the Agreement and in your record that you have not signed the Agreement.

You will receive a copy of your Home Care Agreement along with a copy of your support plan and an individualised budget.

You will also receive monthly statements detailing income for the month, expenditure for the month and available funds at the end of each month.

12. DELIVERING SUPPORT

12.1 KEEPING APPOINTMENTS

Our Support Workers work to a tight schedule which makes it difficult to accommodate short notice changes to appointments. Except in the case of emergencies, a week's notice is required of a change. If we are unable to schedule a new appointment you may have to wait for your next scheduled visit (except where lack of support may impact directly on your wellbeing, such as nursing services).

If you are not home when the Support Worker arrives we may require payment for that visit as we still need to pay the Support Worker for the time. We will talk with you about what you want us to do if you do not respond to a scheduled visit: e.g. contact your next of kin. This will be recorded on your support plan so staff know what action to take.

If you are unable to keep an appointment, please ring the office. The more notice you give us, the better the chance of re-scheduling your appointment.

12.2 RESCHEDULING OF SUPPORT VISITS

On rare occasions Amaroo@Home may need to reschedule or cancel a support visit due to unforeseen staff shortages. If this happens, we will telephone you as soon as possible to let you know and will endeavour to arrange a new time for the visit.

12.3 SMOKING

All of our staff and volunteers are not permitted to smoke in people's homes.

We also request that you do not smoke when a staff member or volunteer is in your home and that you do not smoke in the day centre or in staff and volunteer's vehicles.

12.4 DOGS

As the behaviour of dogs can be unpredictable we ask you to make sure that any dog, other than an assistive dog, is restrained while the Support Worker is in your home. Our staff are instructed to leave a home if the dog is not restrained.

12.5 CHEMICALS IN THE HOME

Our staff may be exposed to chemicals every day due to their work, so we insist that they do not work with hazardous chemicals in your home. Support workers are not permitted to use products containing bleach or any corrosive chemicals such as oven cleaners. Simple detergents and non-hazardous chemicals can be used by support workers.

All cleaning products have instructions for use on them and advise if the product is hazardous. Purchase non-hazardous chemicals for the support workers to use. Support workers will use the appropriate personal protective equipment, such as gloves when using certain products.
